PSHS Swim & Dive Board Update

As we are nearing the end of our swim season we are looking for friendly faces and willing parents to be on the swim board for next year.

Many of us parents are moving on and there will be vacancies on the board. PLEASE consider taking on a roll next year. The team needs your help! We will be asking around soon and need parents to step forward and volunteer.

If you know you are interested and willing, please email me to let me know- mcsaad@verizon.net
